Dr. Norio Ohmagari is acting as Director, AMR Clinical Reference Center and Director, Disease Control and Prevention Center of National Center for Global Health and Medicine (NCGM), Japan. Dr. Ohmagari has completed his clinical fellowship in Infectious Diseases at University of Texas-Houston. After serving as chief of the Division of Infectious Diseases at the Shizuoka Cancer Center, in 2011 Dr. Ohmagari moved to NCGM which is one of six national medical centers in Japan with infectious diseases as main objective. At NCGM, Dr. Ohmagari has been acting as Director of the Disease Control and Prevention Center since 2012. He also serves as the director of AMR Clinical Reference Center, which is commissioned by Ministry of Health, Labor and Welfare, Japan. Dr. Ohmagari is engaged in the care, prevention and research of infectious diseases from a global perspective. As a physician, Dr. Ohmagari is directly involved in the clinical management of patients with infectious diseases. Dr. Ohmagari is also actively working on activities with controlling antimicrobial resistance in Japan. At the same time, Dr. Ohmagari is working on the on-site response in infectious disease crisis management in Japan.
